Allegany County Schools Served through Consortium Grants 2025-2026 School Year

The Maryland Consortium on Coordinated Community Supports was created by the Maryland General Assembly as part of the Blueprint for Maryland's Future in order to expand access to comprehensive behavioral health services for Maryland students, pre-K through grade 12. Through the Consortium program, over \$97 million was awarded statewide for the 2025-2026 school year. Three Consortium grants serve Allegany County, and they are projected to serve over 2,800 students during the 2025-2026 school year. Below is a short description of each of the three programs. A list of schools served is attached.

Allegany College of MD. This grantee offers Mind Body Medicine services, providing education about the fundamentals of the brain and nervous system, stress and stress reduction, emotion regulation, and overall emotional health and well-being. Skills are taught in classroom and small group settings.

Hazel Health, Inc. This grantee offers free, evidence-based virtual therapy for students, along with crisis response, care coordination, and parent/family education. Licensed therapists support kids K-12 with issues like anxiety, depression, and stress, helping improve wellbeing, behavior, and school attendance.

Mountain Laurel Medical Center. This grantee offers individual and group counseling for mild and moderate behavioral health challenges, interim crisis stabilization and de-escalation, intensive individual therapy for behavioral and mental health needs, behavioral health care coordination, and crisis response coordination with Baltimore Crisis Response, Inc. (BCRI) for immediate interventions.
