## 7. Incurred Expense

The GCHD will not be responsible for any costs incurred by any Applicant in preparing and submitting an Application or performing any other activities related to submitting an Application in response to this solicitation.

## 8. Application Protest

1. For the purpose of this Section, the following words have the meanings indicated:
  - a. Interested party means an actual or prospective Applicant, Offeror, or Contractor that may be aggrieved by the solicitation or Award of a Contract, or by the protest.
  - b. Protestor means any actual or prospective Applicant, Offeror, or Contractor who is aggrieved in connection with the solicitation or the Award of a Contract and who files the protest.
  - c. Filed means receipt in the GCHD Office of Procurement.
2. An Interested Party may protest to the GCHD Office of Procurement the Award or the Proposed Award of a Contract for supplies, services or construction. The protest shall be in writing and addressed to the GCHD Office of Procurement. Protests based upon alleged improprieties of any type in solicitations which are apparent before Application opening or the closing date for receipt of initial Applications shall be filed prior to said closing date, all other cases Application protests shall be filed no later than seven (7) calendar days after the basis for protest is known or should have been known, whichever is earlier. Any protest filed after the time limit prescribed above shall not be considered.

The written protest shall include as a minimum the following:

- a. The name and address of the Protestor.
- b. Appropriate identification of the procurement, and if Contract had been awarded, its number, if known.
- c. A statement of reasons for the protest.
- d. Supporting exhibits, evidence, or documents to substantiate any claims unless not available within the filing time in which case the expected availability date shall be indicated.

3. The GCHD Office of Procurement shall submit a copy of the protest to the Health Officer upon receipt of the protest.
  - a. Any additional information requested of the Protestor by the GCHD shall be submitted within five (5) days after receipt of notification in order to expedite consideration of the protest. Failure to comply with the request for information by the GCHD may result in a resolution of the protest without consideration of any information, which is untimely filed pursuant to such request.
  - b. Upon written request, the GCHD shall make available to any interested party information submitted that bears on the substance of the protest except when information is proprietary or otherwise permitted or required to be withheld by law or regulation.

4. A decision on a protest shall be made by the Health Officer in writing as expeditiously as possible after receiving all relevant, requested information. Before issuance, the decision of the Health Officer shall be reviewed by the Garrett County Department of General Services.
  - a. Should the Protestor disapprove of the Health Officer's decision, they may appeal the decision to the County Commissioners within seven (7) days after receipt of the decision. All information used to support the protest and the decision of the Health Officer shall be made available to the County Commissioners.
5. A written decision on the protest shall be made expeditiously by the Garrett County Commissioners and deemed the final action on the protest.

## **9. Applicant Responsibilities**

1. An Applicant, either directly or through its GCHD approved sub-contractor, must be able to provide all goods and services and meet all of the requirements requested in this solicitation and the successful Applicant (the Contractor) shall be responsible for Contract performance including any GCHD approved sub-contractor participation in the work.
2. All GCHD approved sub-contractors shall be identified and a complete description of their role relative to the Application shall be included in the Application.

## **10. Acceptance of Terms and Conditions**

By submitting an Application in response to this RFA, the Applicant, if selected for award, shall be deemed to have accepted the terms and conditions of this RFA and the Contract. Any exceptions to this RFA or the Contract must be submitted prior to Application submission. Changes to the solicitation, including the Application Form or Contract, made by the Applicant may result in Application rejection.

## **11. Compliance with Laws/Arrearages**

By submitting an Application in response to this RFA, the Applicant, if selected for award, agrees that it will comply with all federal, State, and local laws applicable to its activities and obligations under the Contract.

By submitting a response to this solicitation, each Applicant represents that it is not in arrears in the payment of any obligations due and owing the State or County, including the payment of taxes and employee benefits, and shall not become so in arrears during the term of the Contract if selected for Contract award.

## **12. Verification of Registration and Tax Payment**

Before a business entity can do business in the State/County, it must be registered with the State Department of Assessments and Taxation (SDAT). SDAT is located at State Office Building, Room 803, 301 West Preston Street, Baltimore, MD 21201. For registration information, visit <https://egov.maryland.gov/BusinessExpress/>.

It is strongly recommended that any potential Applicant complete registration prior to the Application due date and time. The Applicant's failure to complete registration with SDAT may disqualify an otherwise responsive successful Applicant from final consideration and recommendation for Contract award.

### Section 3 – Scope of Work/Job Description

#### A. Background

The Maryland Consortium on Coordinated Community Supports was created by the Maryland General Assembly as part of the Blueprint for Maryland's Future, Chapter 36 of 2021. The Consortium is responsible for developing a statewide framework to expand access to comprehensive behavioral health and wraparound services for Maryland students, a vision that is being successfully fulfilled locally through the Community Health Resources Commission (CHRC) Coordinated Community Supports Partnership Initiative in Garrett County. Our Community Supports Partnership (CSP) Hub coordinates these holistic, evidence-based services across Garrett and Allegany Counties to ensure students receive support right in their community. After successfully launching as a pilot Hub in FY 2025, our program was awarded status as a full CSP Hub for FY 2026 due to the demonstrated success and effectiveness of our coordination and services.

These partnerships are organized according to the Collective Impact model, with grant funding available by invitation only to selected organizations that previously completed a capacity-building curriculum led by the CHRC and the National Center for School Mental Health (NCSMH). These grants fund both the behavioral health services for the geographic area and the activities of the local coordinating Hub. Because the CHRC will not consider independent applications from service providers for regions funded through full Community Supports Partnerships, any providers interested in grant funding for this area of the state should contact the existing Garrett and Allegany County Hub directly for more information.

#### B. Identified Needs

Allegany County and Garrett County have worked with Local Education Agencies (LEA) to identify needs in the public school systems.

#### Identified Needs in Allegany/Garrett County Public Schools

- High frequency of physical and verbal aggression during elementary instructional time, necessitating stronger behavioral support systems.
- Rising levels of student psychological distress, specifically centered on anxiety, depression, self-harm, and the impact of bullying.
- Increased demand for accessible school counseling, universal mental health screenings, and mandatory mental health curricula for all students.
- Significant need for reliable transportation to ensure students and families can attend mental health appointments, school events, and support sessions.

- Need for specialized staff training to effectively manage student dysregulation and implement social-emotional learning initiatives.
- Expanded peer support groups to combat social isolation and foster a sense of belonging within the school community.
- Enhanced substance use awareness and prevention programs, with a focus on vaping and illegal drug use.
- Structured parent and student workshops held after school or during the summer to address parenting strategies and mental health.
- Improved crisis intervention and transparent communication regarding student safety threats and available mental health referrals.
- Strengthening the connection between families and schools through simple, frequent communication and increased parent involvement in workshops and conferences.
